

Dear (Principal/PE Teacher/PTO President),

My son/daughter, (child's name), is in ( ) grade at (school name). I am writing to request that we bring [Marathon Kids Connect](#)—an awesome **free** PE program—to our school!

Marathon Kids is on a mission to get kids moving—before, during, and after school. The nonprofit offers free physical education programming through Marathon Kids Connect, a cloud-based PE and run club management platform that includes a mobile app for physical activity tracking. The platform also features a personalized portal for parents, so parents like me can encourage their kids to run at home, too!

The Marathon Kids program introduces kids of all abilities to the joy of running, and also helps students meet the recommended 60 minutes of moderate-to-vigorous physical activity every day. Getting enough daily exercise has countless benefits for kids, including increased focus and learning capacity, improved classroom behavior, and improved attendance—all of which work toward creating a community of health and wellbeing on campus.

To register our school for free, please visit [www.marathonkids.org/connect](http://www.marathonkids.org/connect). The first person at our school to create a Marathon Kids Connect account should sign up as a "Coach."

Please email [support@marathonkids.org](mailto:support@marathonkids.org) with questions.

Sincerely,

(Your name)
